

PTZ Series

Monitor Wider Areas
with a Single Camera

Full HD Megapixel Rugged Long-range PTZ Cameras

Pan-tilt-zoom (PTZ) cameras are capable of remote directional and zoom control. LILIN PTZ cameras offer exceptional performance at an affordable price.

MINI DOME

MINI DOME

INDOOR

OUTDOOR

With a 360° continuous pan rotation and 120° tilt angle ranges, the cameras field of view can be quickly zoomed and repositioned as needed. LILIN PTZs provide IP66-rated protection against water and dust. With built-in heaters and fans, the cameras are able to be used in temperatures ranging from -40°C – +50°C. Remote pan/tilt/zoom operations with 36X optical lens makes it possible to zoom in on distant object with absolute clarity.

PTZ series cameras

Sustainable cameras ideal for numerous applications

LILIN PTZs are capable of streaming HD video at up to 30 frames per second. Featuring Wide Dynamic Range (WDR) feature, PTZ cameras capture highlights and shadows simultaneously, eliminating pixilation and smear. Combine with 3D Noise Reduction technology, the contrast of images in dark and bright area is dramatically improved.

Further features include privacy zones, comprehensive scheduling, 2-way audio, weighted mode, digital PTZ, alarm activation by motion, audio detections. Capable of making 360° continuous rotations, users can accurately position the cameras to identify specific targets.

Features

- 360-degree continuous rotations
- 1080p image
- 36X / 30X / 26X / 20X / 18X / 12X / 10X optical zoom
- Power over Ethernet (PoE)
- 2 megapixel
- 30 frames per second (FPS)
- IP66-rated outdoor housing
- Pan-Tilt-Zoom
- Day/Night camera with minimum illumination of 0.5 lux
- Defog feature
- ONVIF Profile S - open integration with 3rd party systems
- Long range focal length
- Durable design
- Simultaneous Motion-JPEG and H.264 compression streams
- Pendant/wall mount

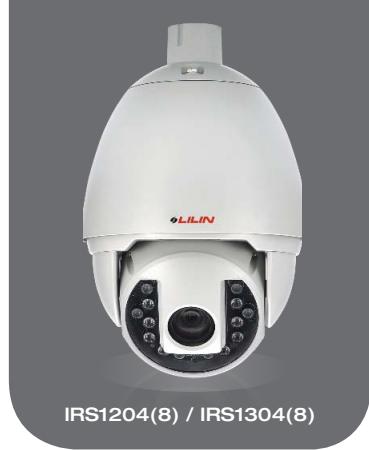

20X / 30X IR PTZ Camera

The IRS1204/8 and IRS1304/8 are infrared PTZ options with built-in IR LEDs that are able to see in almost complete darkness, providing clear, detailed video clarity at night-time for round-the-clock video surveillance. IR security PTZ -IRS1204/8 and IRS1304/8 see at night with IR distance of 150M.

The IRS1204/8 and IRS1304/8 are indoor fitted 20X Day & Night 2MP HD PTZ Dome IR IP Camera that in compliance with LILIN's already established HD PTZ series of cameras. The camera can be powered through AC24V / AC100 – 240V.

The high-speed domes are capable of streaming HD video at up to 30 FPS. Featuring LILIN's Wide Dynamic Range (WDR) feature, the IRS1204/8 and IRS1304/8 capture highlights and shadows simultaneously, eliminating pixilation and smear. The IP66-rated housing is designed to help the camera body withstand rain and dust and ensures operation under a multitude of harsh weather conditions. Combine this with digital noise reduction technology and adaptive tone reproduction and the contrast of images in bright or dark areas is dramatically improved. Capable of making 360° continuous rotations, users can accurately position the camera to identify specific targets.

Outdoor weather proof PTZs

VANDAL RESISTANT

- IP66 rated external housing protected against rain and dust
- Delivers exceptional outdoor weather proof video surveillance
- PTZs can be used in varying weather conditions
- Able to withstand temperatures ranging from -40°C – 50°C (-40°F – 122°F)

360° VIEWS

- 360° views with tilt functionality
- Powerful 36X / 26X / 30X / 20X / 18X optical zoom
- Video monitoring in absolute detail

FIT A WIDE VARIETY OF APPLICATIONS

- PTZs are designed for use under harsh and unforgiving environments
- Applicable to critical infrastructures such as mining sites, hydroelectric power plants, freeway, railway, or chemical/hazardous environments

IPS4304E / IPS4308E
IPS4204E / IPS4208E
IPS8264P / IPS8268P
IPS8364N(P) / IPS8368N(P)

DISCREET SURVEILLANCE

DISCREET SURVEILLANCE

- Discreet and reliable video surveillance with style
- Compact size allows it to fit into limited space
- Mini PTZs offer a discreet appearance which blends into any architectural environment
- Perfect for mid-sized applications

IPS3102E
IPS3124N / IPS3128N
IPS3124P / IPS3128P

IPS2102E
IPS2124N / IPS2128N
IPS2124P / IPS2128P

ECONOMICAL CHOICE

- High speed and precision pan/tilt/zoom system
- Enable a number of programmable preset positions
- Economical PTZs with a performance of 10X or 12X optical zoom and 540TV lines.
- Easy and cost-efficient installation in demanding environments

FUTURE PROOF

- Superior clarity with 2 megapixel resolution
- PoE provides cost-effective power to the PTZs by using the Ethernet cable
- Various mounting brackets available to assist with all sorts of environments
- Full PTZ control via mobile devices through LILINViewer app

Indoor sustainable PTZs

DAY/NIGHT FUNCTIONALITY

- Sharp black and white images in poor lighting conditions
- Provide perfect color images in low light environments

WIDE AREA COVERAGE

- PTZ cameras can be remotely controlled to monitor a wider area than traditional fixed cameras
- Wide large area scenes can be effectively monitored through 360° panning, 120° tilt, and
36X / 26X / 20X / 18X optical zoom

POPULAR CHOICE

- Pan/tilt/zoom (PTZ) cameras are a popular choice for applications that require the ability to zoom and position to a specific area of interest
- PTZs are designed for quick installation in demanding indoor environments such as business premises, shop floor, or indoor parking

Various mounting options

LILIN offers a number of versatile mounting options for its PTZ cameras – indoor/outdoor pendant mount brackets, wall mount brackets, or pendant ceiling mount brackets. A variety of quality rugged weather/vandal proof mounts options are designed to work in a wide range of applications, and allow system integrators for easy installation of PTZ cameras into ceiling or wall.
